PLS Internship Application

Project Look Sharp Internship Information:

- Internships can be taken for the following credits: 1(60 hrs), 1.5(90hrs), 2(120hrs), 2.5(150hrs), or 3(180hrs).
- Check with your department to determine whether or not you are eligible to take an internship for credit and for other internship protocols that must be met. Some departments may require additional paperwork, signatures, and prerequisite training. Also, check with your school's department to see whether or not they accept half credit internships if that is what you are interested in completing.
- You will need a faculty advisor from your department for this internship, and we will need confirmation of his/her willingness in this capacity.
- Accepted internships are based on an application and interview with the program manager. We accept applications until all internships are full.
- If you are completing this form electronically, save the file as your last name and email to szeto@ithaca.edu, or drop off hardcopy to Sherrie Szeto at 104A Williams Hall.

Name: _____

Phone: _____

IC Email: _____

Alternative Email: _____

Major/Minor: _____

Semester & Year of Graduation: _____

Number of Credits Desired: _____

From which school will you be receiving your credits? _____

Name of Cooperating Advisor from your Department: _____
